**COMMENTS INVITED ON APPLICATION OF COMCAST PHONE OF
COLORADO, LLC D/B/A COMCAST DIGITAL PHONE TO DISCONTINUE
DOMESTIC TELECOMMUNICATIONS SERVICES**

WC Docket No. 07-231
Comp. Pol. File No. 837

Comments Due: October 26, 2007

Section 214 Application

Applicant: Comcast Phone of Colorado, LLC d/b/a Comcast Digital Phone

On September 26, 2007, Comcast Phone of Colorado, LLC d/b/a Comcast Digital Phone (Comcast or Applicant), located at **1500 Market Street, Philadelphia, PA 19102**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of certain domestic telecommunications services in Colorado. By an amendment filed October 1, 2007, Comcast updated the record regarding notice in the affected areas. Accordingly, Comcast's application is deemed complete as of October 1, 2007.

Comcast indicates that it currently provides interstate and intrastate telecommunications service throughout Colorado. Comcast states, however, that it now intends to discontinue its provision of local exchange, interexchange, and international telephone services to residential customers in the Denver, Colorado area as well as all commercial customers throughout Colorado.¹ According to Comcast, the anticipated date for the proposed discontinuance is November 15, 2007, or as soon thereafter as the necessary state and federal approvals can be obtained. Comcast explains that the proposed November 15, 2007 disconnection will be a "soft disconnect" and that end-user customers in the affected location will continue to be able to call emergency services by dialing 911, and to call the Comcast Phone call center until December 15, 2007, or one month after the authorized disconnection date. Comcast also states that it will assist affected customers during their transition to new carriers. Comcast indicates that it informed all affected residential customers of the proposed discontinuance by letters sent via first class U.S. Mail on September 26, 2007. Comcast indicates that it informed all of its affected commercial customers throughout Colorado of the proposed discontinuance by letters sent via first class U.S. Mail on September 29, 2007. Finally, Comcast asserts that it is non-dominant in the local exchange, interstate, and interexchange services markets.

¹ Discontinuance of international service is governed by 47 C.F.R. § 63.19.

In accordance with section 63.71(c) of the Commission's rules, Comcast's application will be deemed to be granted automatically on the thirty-first (31st) day after the release date of this public notice, unless the Commission notifies Comcast that the grant will not be automatically effective. In Comcast's application and notice to its customers, Comcast indicates that it anticipates discontinuing service on or after November 15, 2007. Accordingly, pursuant to section 63.71(c) and the terms of Comcast's application and notice, absent further Commission action, Comcast may terminate service to residential customers in the Denver, Colorado area and commercial customers throughout Colorado on **November 15, 2007**. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a "permit but disclose" proceeding for purposes of the Commission's ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **October 26, 2007**. Such comments should refer to **WC Docket No. 07-231 and Comp. Pol. File No. 837**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
